Plans for Utilization of Utilization of ESSER III Plans

Attached to this document is the application submitted to the Indiana Department of Education by Sheridan Community Schools for us of ESSER III funds. Plans for utilization for funds included dialogue among the Sheridan Board of School Trustees and the administration, as well as meaningful discussion with the Sheridan Education Association. In summary, funds will be used for

- Technology upgrades in order to be better equipped for eLearning.
- Virtual teachers and instructional assistants, which directly correlates to addressing learning loss.
- HVAC upgrades to enhance air quality in order to mitigate virus spread.
- Custodial services to decrease virus spread.
