Referendum Update

Very pleased to announce that we were fortunate enough to have been victorious in our referendum efforts. We received over 76% of the vote. **This would not have been possible without your support.**

As I have said numerous times, Sheridan Community Schools is blessed to have the greatest teachers and staff, as well as overall support of any school district in the state. Again you have proven that to be true. While we still have a lot of follow up work to do regarding the election and tax rates, this is a wonderful outcome.

Best Places to Work Update

At the annual Best Places to work dinner Sheridan Community Schools was ranked 15th in the medium business category. This is a tremendous honor and something for us to enjoy as a staff. Over one third of the award winners were new to the list this year, and we have now been accepted three straight years.

Dr. Mundy also shared copies of the District Administration Magazine article of our school and our Solar Project that was published. It is another proud moment for Sheridan Community Schools.
