You'll receive two emails (please check both your inbox and your spam/junk folders):  
The first email will be sent after you've completed the initial application form. Once our office has approved your application, you'll be receiving a second email that will explain how to create your parent account (unless you already have one for any older children- then you would just add your incoming KG student with the information provided) and fill out the required forms via your PowerSchool Parent Portal. The online forms will require you to upload a digital copy of your child's birth certificate, immunization records, and proof of residency.

Please feel free to contact our office with any questions at 317-758-4491.
