Nancy Boone would like to recognize our Food Service Team. She participates in the Buddy Lunch Program, where she enjoys having lunch with her buddy once a week. The meals and service are outstanding. The amount of care and love the ladies have for the students is present through their meals and conversation, when the students go through the receiving line.

Todd Roberts wanted to officially welcome Ms. Roberson to the Sheridan Community School family! He wanted to thank the staff for running on auto pilot and getting the job done and putting the kids first. We are ready to rev the engine and move forward and not miss a beat!
